GRTU Lease Access Conduct

Rules of Conduct While on GRTU Lease Access Properties

1. GRTU Lease Access permit must be worn by the lease members, auxiliary members, junior associate members, and guests in a visible manner while on GRTU Lease Access property.
2. GRTU Lease Access parking permit must be visibly displayed on the dashboard of the lease member's vehicle at all times while vehicle is on GRTU Lease Access property.
3. Carry Out What You Carry In. Land owners have to empty trash containers during the off-season, thus incurring expense. **DON'T USE THE TRASHCANS - CARRY YOUR TRASH OUT!**
4. No picnicking, camping, hunting, fires, or any activity other than fishing access. Carrying or discharging firearms, excessive noise, overindulgence of alcoholic beverages, wood cutting, fires, picnicking, or littering are specifically prohibited on GRTU Lease Access properties.
   NOTE: We lost the BK Tubes property after the 95-96 season due to GRTU members camping, picnicking, over-limit car parking, and use of the outhouse on the river. We lost the L&L properties due to the failure of a GRTU Lease Access member to properly supervise junior associate members using the L&L property. We must do better if we are to retain access at our lease properties. Outhouses are from older times, and are now outlawed, but GRTU Lease Access members used them, putting the landowner in legal jeopardy. Picnic waste filled garbage cans that required emptying - an off-season expense to the landowner. ***We lease a path to the river - nothing more!*** If you want to picnic or use a restroom, drive somewhere else! If there are already the allowed number of cars at the GRTU Lease Access property, go elsewhere!
5. Children under 18 years of age must be accompanied by an adult lease member at all times.
6. No pets are allowed on GRTU Lease Access properties. ***GRTU Lease Access Program membership does not include permission for pets!***

GRTU LEASE ACCESS PROPERTY IS A PATH TO THE RIVER THAT YOU HAVE PERMISSION TO USE - NOTHING MORE!
