

Troutfest 2019

Demonstrations: On the water

**Demo: Saturday 11:30 - 12:30 Instructor Mr. Dayle Mazzarella**

**Slackline, Mending, and Curve Casts on the water**

Dayle will demonstrate a dozen or so casts that help create drag free drift in various current conditions.

These cast catch more fish!! If the observer wishes to work on these casts sign up for our Trout class Saturday at 9:00 - 11:00 & Sunday at 1:00 - 3:00

**Demo: Saturday 1:00 - 2:00 Instructor Mr. Jeff Ferguson**

**Roll Casting on the water.**

Jeff will be demonstrating the art of making a good roll cast when wading.

**Demo: Sunday 11:00 - 12:30 Instructor Mr. Gary Davison**

**Introduction to Spey Casting on the water.**

Gary will demonstrate both single hand and two handed Spey Casts on the water. Anyone wanting to learn about Spey Casting will enjoy this class.

Troutfest 2019

Class Room under Pavilion by Fly Casting Field.

Would need a few tables with chairs for those who attend these classes if available.

**Class: Nymph Rigging - Instructor Mr. Dayle Mazzarella**

**Saturday 3:00 - 4:00**

**Sunday 11:00 - 12:00**

Dayle will discuss and demonstrate various nymph rigging systems. These Systems allow anglers to fish subsurface with various water current speeds and bottom structure conditions.

**Class: Lines, Rods, & Reel selection - Instructor Mr. Gary Davison**

**Saturday 11:00 - 12:00**

**Sunday 9:00 - 10:00**

Gary will help the participant make more informed choices when selecting rods, reels, and fly lines.

**Class: Knot Tying - Instructor Mr. Mike Wright**

**Saturday 10:00 - 11:00**

**Class: Knot Tying - Instructor Mr. Mike Wright**

**Sunday 1:00 - 2:00**

Mike will cover knots from tying backing on to the reel to tying on the fly. Major emphasis will be on the nail knot, perfection loop, surgeons knot, blood knot, clinch knot and improved clinch knot. All tying material is provided in kits for the students.
